REQUEST FOR AMICUS CURIAE INTERVENTION
ON BEHALF OF A "49 STATES AGREEMENT VICTIM"
APPEAL NO. SD35626 CURRENTLY ON FILE**

August 17, 2018

*Joshua Hawley
Attorney General
State Of Missouri
207 W High Street
Jefferson City, MO 65101*

Dear General Hawley;

This letter is in follow on to our letter to you of August 2, 2018 on the above subject. This letter is intended to provide your Office with additional pertinent information regarding another "Victim Of The 49 States Agreement". This information as supported by the attached exhibits will demonstrate to your Office the continuing nefarious conduct by the HSBC Et Al Mortgage Co.

In this particular instance, the HSBC Corp removed this matter to the Federal Courts. It is obvious that this was done to avoid any further enforcement penalty or actions from you Office. As the documents accurately relate to you, this was a failed success, other than they were able to keep it out of the perview and jurisdiction the Missouri Attorney General.

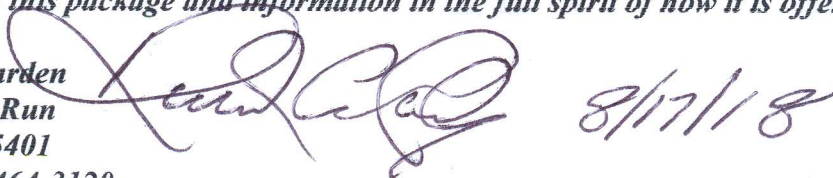

LEGAL EVENTS

- 1. On September 12, 2016 or some 8 months after the "49 States Agreement" became official and known to all parties. The HSBC Corp Et Al immediately removed the matter to the Federal Jurisdiction.*
- 2. On March 15, 2017 the Hon Jean C Hamilton Ordered A.D.R. , (Alternative Dispute Resolution) in the matter.*
- 3. On May 17, 2017 the Hon Jean C Hamilton entered an Order that the matter had been Settled.*

We are bringing this matter in its entirety to your attention as it is proximate to the issues and continuing conduct of the HSBC Corp. In this particular matter, in our opinion, the HSBC Corp overtly moved outside the jurisdiction of the Missouri Attorney General to avoid further legal scrutiny and or additional penalties set forth within the "49 States Agreement".

Please accept this package and information in the full spirit of how it is offered.
