Dear Mr. Carden,

Thank you for bringing your concerns regarding your ongoing foreclosure litigation to my attention. Unfortunately, the issues you have raised fall beyond the jurisdiction the Missouri Attorney General's Office. My office provides legal representation to the state and its agencies, but does not serve as legal counsel or advisor to individual citizens in private legal disputes. If you determine you would benefit from the assistance of a private attorney, you may use the following link as a resource to look for available options in your area:

www.missourilawyershelp.org

Although I regret we do not have the authority to mediate your complaint, I sincerely hope you find this information to be helpful in finding resolution. Should you ever require assistance in the future, please do not hesitate to reach out for help.

Yours,
